## FOCUS ON WHAT REALLY MATTERS —

- 1 Functional, spacious and stylish open plan kitchen + living areas provides the ultimate hub for activities. A space that's good for the mind, body and soul. So if your home is built for a narrow block, you can still have a home with a big kitchen! – Like the wise Old El Paso once said – 'why not have both?'
- 2 Front master suite – If you're all about the lock + leave lifestyle – aint nothing going to slow you down. – Those early morning beach runs or yoga seshs, you'll be in and out faster than uber eats!

## STYLE TIPS — *Classic modern twist, edgy and cool or gritty New York?*

*We've developed a series of style packages ready for you to style your brand new home – or you can create your own unique style with us!*
